Excerpt from Vocation in the Home The world is in the remaking. Everywhere is change. Crowns. Have fallen, nations have crumbled, but out of chaos voices cry aloud for a new earth. Reconstruction is our Shibboleth. Some among us are anxious to shore up existing institutions to avert collapse others forage among the broken fragments of systems gathering materials to rebuild the old order of things; or they reckles sweep away the debris of the past in a supreme effort to lay foundations for the establishment of new ideals. To all these builders history shouts the moral that the unit of construction in civilization and progress is the home.
