Select Books Inc. Paperback. Book Condition: new. BRAND NEW, The Hopelessly Partisan Guide to American Politics: An Irreverent Look at the Private Lives of Republicans and Democrats, Ken Berwitz, Barry Sinrod, The election is over and now it's time to lighten up and laugh about politics again! Ken Berwitz and Barry Sinrod have spent the past year surveying Democrats and Republicans: not on the contentious issues of the day, but on their everyday lives! Ken and Barry's new book, "The Hopelessly Partisan Guide to American Politics", examines the party faithful on "issues" such as their sexual behavior; food habits, where they get their news from and, hilariously, what they think of each other! While their findings may not divide the nation, the commentary from Ken (on the right) and Barry (on the left) is guaranteed to split a few sides. This odd couple has been convulsing people of all political persuasions on CNN International, major radio shows and in print. "The Hopelessly Partisan Guide to American Politics" is guaranteed to continue the fun by raising a few eyebrows and giving us a belly laugh at the same time!

### Reviews

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*The publication is great and fantastic. I actually have read through and I am sure that I am going to plan to go through yet again yet again down the road. I realized this PDF from my dad and I encouraged this publication to understand.*
