BookBaby, 2016. Paperback. Condition: New. Language: English . Brand New Book. Having lost my beloved wife at the end of 2010, I understand the pain that s experienced when a spouse or partner gets carried away by death. Stricken with an acute form of Leukemia, Malinda became very ill. I never really believed that she d die; she was too healthy, and we were way too much in love for her to go anywhere. I moved into the hospital with her so that I could be her support until she recovered and we would finally be able to go home. It was about five months from the time we first entered the hospital that I began to wonder if she might not overthrow the cancerous curse that plagued her. I began to wonder what I d do if she really did go away. What does a man do when his better half is taken from him? I knew that if she died I d be devastated, but I had no idea of the degree of pain I would soon be experiencing. I knew that suicide was not the answer, yet it beckoned me daily. I desperately searched my universe for comfort in any other form--anything that would help me breathe again. After a great deal of pain, suffering and soul searching, I began to discover how to avoid some of the land mines that would suddenly bombard my brain each time I felt like I might be able...
