RHYMES OF TWENTY YEARS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Rhymes of Twenty Years The scope of this volume is very fairly indicated by the title-page, and only a very brief prefatory word is needed, if any. The collection is really what it purports to be: - the Rhymes of Twenty Years - or at least a portion of them, - the date of composition extending over that period. Just twenty years have elapsed since the publication, by the writer, of his first poems, in the New Yorker, Philadelphia Saturday Evening Post, and other newspapers of that day. Most of those included in the collection have had a fleeting existence, first or last, in different newspapers, magazines and annuals published during that interval, and a considerable number have long since lost any remembrance of their origin. A few have never before been published - having been written or reserved for first appearance in this collection. The limited space at command, and the necessity of rigid judgment, have caused the omission of many poems which the writer would otherwise gladly have preserved. Some of greater length, which a few partial friends may remember, have been omitted, with a view to possible future publication in a separate volume.
