## EGYPT FROM ONE REVOLUTION TO ANOTHER: MEMOIR OF A COMMITTED CITIZEN UNDER NASSER, SADAT AND MUBARAK (HARDBACK)

Gilgamesh Publishing, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. To understand the current situation in Egypt it is necessary to see it in a broader historical perspective and examine the evolution of Egypt since Nasser s 1952 revolution. No one is better placed to offer this perspective than Aly El-Samman, previously a close advisor to Anwar Sadat and now a promoter of intergenerational dialogue to the young pioneers of today s revolution. In Egypt from One Revolution to Another, El-Samman offers a rigorous and vivid analysis of these last sixty years of Egyptian history. His memoir, rich in revelations and anecdotes, gives us a rare insight into the thinking of some of the most famous figures of the 20th century, including the leaders of the existentialist movement in France. But, more importantly, it sets out a real strategy of peace for the shores of Mediterranean Sea and far beyond.
