By Barbara Kingsolver

HARPER PERENNIAL, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In her bestselling novel Prodigal Summer, Barbara Kingsolver weaves together three stories of human love within a larger tapestry of lives inhabiting the forested mountains and struggling small farms of southern Appalachia. Award-winning author of Flight Behavior, The Lacuna, and The Poisonwood Bible, Kingsolver here introduces a wildlife biologist whose reclusive life in a mountain cabin is disrupted by a young hunter; a city girl-turned-farmer's wife who must decide whether or not to fight for the land she now inhabits; and a pair of feuding, elderly neighbors who forge a bond neither of them could have predicted. As the humid summer progresses, the characters grow closer to each other and the nature that surrounds them in this beautifully-written work that helped solidify Barbara Kingsolver's place in the literary firmament. This Harper Perennial Deluxe Modern Classic edition features beautiful cover artwork on uncoated stock, French flaps, and deckle-edge pages.
