FirstBit - In Emoney We Trust

By Allan D. Shore

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 34 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. FirstBit. In Emoney We Trust. The future is being shaped before and around us. That shifting includes everything from the ways and means of normal living to the intricate details of what the next economy we thrive in evolves. Cyber money is on the move. More and more financial interests are actively cashing in on this fact and trying to convince us of the advantages of being part of their view of the virtual marketplace -- in particular, the online spaces where bitcoins and blockchains may eventually rule. Emoney is going to be remarkably different, and it will be up to us all to determine whether it remains as the root of evil or whether it takes on a more just and equitable force for the better. FirstBit is an introduction to a story about the process of this transference. It is set at a time when the often negative perceptions of everyday technology (the NO part of techNO!) are giving way a more positive period when we almost gleefully proclaim HECK YES to TechYEAH! It is at this eureka...

Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).
