Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, You Kill Me, Alison Gaylin, Samantha Leiffer is back and in trouble again in the spine-tingling follow-up to the brilliant Hide Your Eyes After Samantha Leiffer witnessed a murder (and was nearly killed herself for doing so), life has never quite been the same. Everyone else seems just to think it's taking her a while to 'adjust' back to everyday reality, but increasingly Sam's convinced there's still something strange in the air. When a mysterious stranger hands her a note on the street warning her of 'danger' ahead, she knows the freakiness has gone way too far. And when people around her suddenly start dying, she knows her life is spiralling into darkness once more.
