The bulb at Wallasey Pool detracts from narrows.16 tnc momentum. The straightening the wall in the manner described would improve the current and increase the momentum, inasmuch as the present irregular shores make irregular currents; those irregular currents /. M. Remiel, act upon each other and impair the general effect. If they can be made 23 June 1844 direct they are made more efficient, and consequently they will send a larger body of water up into the estuary, or at all events they will send that water up into the estuary which now runs into Wallasey Pool. I Abstraction of am as great an enemy as any one to the general question of abstracting water water from estuaries,...
