It is little Flora, the happiest child almost in all the city. Flora always looks good humored, and that is the reason we all love her. She looks very pretty, and that is because she is good. Every one who is good, is pretty; we like to look at them, and like to be with them. We all like to see handsome features, but we like much more that loveliness which goodness gives to the countenance. Flora has a kind mamma; she often sits by her side, and dresses her doll, while her mamma talks to her of many pleasant things.
