## THE BIBLE AS LITERATURE: AN INTRODUCTION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Bible as Literature: An Introduction This book is designed to be an Introduction to the Literature of the Bible, and is primarily intended for use in college Classes. This fixes at once certain limitations. It excludes the technical terms and the discussion Of detailed points Of criticism which properly appear in the many biblical introductions written for the use of those with more training. It is an introduction to the biblical literature rather than to biblical history or theology. It attempts to give such information as will make it possible for the student to enter upon our literary heritage in the Bible. That the Bible is literature is no longer a novel idea, as it was to many a short generation ago, but how to learn to appreciate its literary qualities is not always Clear even to some Of its most devoted readers. Our rightful emphasis on its religious value has obscured its literary Character. Bible study in the college classroom will serve to place the Bible in its proper position as a body of literature. When we learn to appreciate the Bible as literature we are better able to discover its true religious value.
