Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. MR Ian Richardson (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Stowaway Tedd is based on the real life adventures of a small teddy bear who appeared, out of the blue, on the stern of the author s sailing boat, Lady Jane, whilst moored overnight at a marina in Ramsgate, Kent. Stowaway Tedd Goes Sailing sees this charming little character embark on a series of travels and voyages of discovery. Aimed at children between the ages of 3 to 12 years, his first story introduces you to modern day sailing with many of its technical terms, describing and beautifully illustrating an exciting lifestyle in a manner that children and parents can easily relate to. With lots of fun and learning attached, Tedd is a thinking bear who wonders about how things work, what they are and where he is on his travels around the world.
