Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Going Abroad?: Some Advice To advance reasons why anybody should go to Europe may be dispensed with, but it may not be useless to advise you to know yourself why you are going, to have your object clearly defined in your own mind. Surely your trip cannot be intelligently planned if you are misty as to its purpose, and surely it would be foolish to devote some months of your life, possibly some years, to an expedition Without definite aim. To be sure, travel for its own sake is beneficial, as all wise men have agreed from time immemorial. Home-keeping youth have ever homely wits, and though travel will not make a gem out of a pebble, nothing else will so quickly cut the facets of a diamond mind. It is, then, far from useless to journey through a foreign land with no other idea than to enjoy its scenery, its buildings, and its art, to observe the customs of its people, and to live for a while as they live. Yet there is greater satisfaction in returning with the belief that you have done some thing, however little it may be, toward mastering some one branch of knowledge. The purposeless traveler with any desire at all for self-improvement may come home conscious that he is a wiser and a broader and a more cultured man than when he went away, but his conscience will not be wholly satisfied if he cannot say to himself, I can speak a foreign language now, or, I can now tell what is a handsome church, and why it is a handsome church, or, I have learned something of the rudiments of...
