University of Minnesota Press, United States, 2001. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Focusing on the changing image of the West Coast through such varied social and cultural artifacts as bodybuilding, group therapy, suicide cults, milk-carton images of missing children, teenage slang, and surf music, Laurence Rickels offers a dizzying psychohistory of the twentieth century as crystallized in the symbolic configuration called California and considered in relation to German modernism, national socialism, and Freudian psychoanalysis.
