

A History of Greek Economic Thought (Paperback)

Filesize: 7.97 MB

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who statte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The author well says in his short preface which dates the volume (November 1, 1915) that a study like his of Greek economic theory may serve the double purpose of awakening Greek scholars to phases of Greek thought too little regarded by them and of reminding modern economists how much they have in common with the Greeks. In economic histories it is certainly the difference rather than the common element that receives emphasis. The ground has probably never been surveyed so thoroughly by an English or American writer, nor even by any foreigner. Dr. Trever confesses his own sympathy with the general attitude of Greek writers towards economic subjects, so far as their writings can be said to show a general attitude. To use his own words he reinterprets Greek economic theory in the light of our modern humanitarian economy (preface). The latter turns out to mean broadly the economic views of Ruskin; and criticism of Dr. Trever in the matter of first principles would be the criticism usually directed by economists against Ruskin. Our author s adhesion is not indiscriminating (see pp. 64 and 92, note), but to some of us his estimate of Ruskin will have the same exaggeration as Ruskin s estimate of Xenophon (p. 64). It is to be remembered at the same time that the expositor is not called upon to set forth his own positive views fully. We have the materials fully presented for our own judgment. Even the minor works and authors are gathered in. The printer has served our author well. In the numerous Greek quotations the slips are few and not vital. The projected history of Greek economic conditions (see preface) would...
