Advanced Pediatric Assessment and Study Guide Set

By Ellen M. Chiocca

Springer Publishing Co Inc, United States, 2015. Paperback. Book Condition: New. 2nd Revised edition. 269 x 211 mm. Language: English . Brand New Book. Now in its second edition, Advanced Pediatric Assessment is an in-depth, current guide to paediatric-focused assessment, addressing the unique anatomic and physiological differences among infants, children, and adults as they bear upon paediatric assessment. The second edition is updated to reflect recent advances in understanding of paediatric assessment for PNP's, FNP's and other practitioners. This includes a new chapter on the Integration of Paediatric Health History and Physical Assessment, a Notable Clinical Findings section addressing abnormalities and their clinical significance at the end of each Assessment chapter, updated clinical practice guidelines for common medical conditions, updated screening and health promotion guidelines, and learning objectives and summary in each chapter. Based on a body system framework that highlights developmental and cultural considerations, the guide emphasizes the physical and psychosocial principles of growth and development, with a focus on health promotion and wellness. Useful features include a detailed chapter on appropriate communication techniques to be used when assessing children of different ages and developmental levels, and chapters on assessment of child abuse and neglect and cultural considerations during...
