

Very Classy: Even More Exceptional Advice for the Extremely Modern Lady

Filesize: 4.04 MB

Reviews

It is in a single of the best pdf. Better than never, though I am quite late in starting to read this one. I realized this ebook from my dad and I encouraged this publication to understand.

VERY CLASSY: EVEN MORE EXCEPTIONAL ADVICE FOR THE EXTREMELY MODERN LADY

RAZORBILL, United States, 2012. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. Derek Blasberg is back with more brilliant commentary on what makes a lady truly classy. With all the razor-sharp insights of Classy plus new, never-before-seen pages packed with Derek's signature wit and timeless tips, VeryClassy is the best - and the only - resource for the up-to-the minute, modern young woman. Today's fast-maturing youth culture is confounded by a whole slew of classy conundrums. Like, Is a funeral an acceptable place to meet a guy? (No, the point of a funeral is to ponder how someone has touched your life, not how you hope someone is going to touch you later that night). And, Should I wear my Wonderbra to the gym? (No! Gyms are for exercise, not cleavage.) Even if you're so confident, you've been attracting guys like a honey-dipped man magnet for years - VeryClassy still has something for you. This illustrated volume is packed with advice for the girl who doesn't want to be a Relationship Chameleon, the girl who understands that skinny fat is worse than just plain fat, and the girl who needs a little help discovering the silver lining of a hangover. Very Classy is the ultimate guide for discerning this generation's ladies from the tramps.
