Akanos, United Kingdom, 2012. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Ambitious art historian Bill Maguire searches Paris for a subject for his doctoral thesis and follows up faint clues about once famous abstract painter Alexander Golden. He finds himself in Carmel listening to the death-bed confessions of Joe Rembrandt, an art forger on an industrial scale, and meets beautiful Anna Glover whose life seems somehow connected with the dying man. But when Anna's lawyer boss completely debunks Rembrandt's story, he decides it's time to get out and write his thesis. Unable, however, to get out of his mind Joe's assertion that he found where Golden disappeared to with his mistress and a cache of his never-beforeseen canvases that could be worth millions, Bill searches around Arles for Golden's farmhouse hideaway that probably never existed outside Rembrandt's imagination. He finds Anna there before him and hears yet another version of Joe's story. Together, they make the discovery that adds love, greed, insanity, academic dishonesty and very likely murder into the mix before leading to a completely unforeseen outcome.
