iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the first non-fiction work by an existential author whose previous works chronicle the disorder in our world. Here Perry L. Angle brings his insight to bear on the changing financial landscape. The book is written as a guide for new investors to shortcut the intricacies of the financial learning curve and it offers an imaginative landscape complete with avoidance techniques to make the beginner aware of possible problems. This primer reinforces the notion that complete evaluation of a selection involves both fundamental and technical analysis. The author worked as a stockbroker for many years and was an accomplished salesman and regional manager of a Fortune 500 company. The reader will finish the text with a deep appreciation for this straightforward approach to a difficult subject and will be excited and eager to begin or continue the investment journey.
