

A Travellers History of Scotland (6th)

Filesize: 2.64 MB

Reviews

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basicaly changed me, change the way in my opinion.

(Gillian Wisoky)

A TRAVELLERS HISTORY OF SCOTLAND (6TH)

Interlink Books. Paperback / softback. Book Condition: new. BRAND NEW, A Travellers History of Scotland (6th), Andrew Fisher, Denis Judd, John Hoste, The broad sweep of Scotlands story, both past and present, is chronicled by one of the countrys best historians. Andrew Fisher begins with Scotlands first people and their culture and ends with Devolution and the setting up of the first Scottish parliament since 1707. Before the arrival of the Vikings in 900, Scotland was a land of romantic kingdoms and saints, gradually overtaken by more pragmatic struggles for power. Centuries of bloody strife lead up to the turbulent years of Mary Queen of Scots, the Calvinistic legacy of John Knox, and the bitterness of final defeat. The dreams of the Jacobites are contrasted with the cruel reality of the end of the Stewarts and the Act of Union with England. Scotland now saw an age of industry and despoliation. The result was much emigration and obsession with the nations past, which glorified the legends of the Highlander and the Clans. In this century, the loss of identity and drift to the south have perhaps been checked at last by a new step forward for Scotland as a result of its Devolution, the setting up of a Scottish parliament, and the symbolic return of the Stone of Destiny. This handy paperback is fully indexed with a chronology of major events and a gazetteer cross-referenced to the main text. It is illustrated with line drawings and historical maps.
