TATE PUBLISHING, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. Lucian Freud (1922 - 2011) was one of the most influential artists of his generation. Hailed as the greatest living realist painter , Freud s commitment to realism, and particularly to the human figure, was often controversial. Always creating debate, Freud consistently addressed questions of human existence and perception, testing, through a sustained practice of looking, the possibility of knowing and recording human individuality. In this brand new survey of the artist s life and work, Virginia Button introduces us to one of the twentieth century s most important artists. The book is organised in seven thematic chapters -- covering the whole span of Freud s life and work: Chapter One: Commitment to Looking Chapter Two: Commitment to Painting Chapter Three: The Studio: Proximity and Reflective Distance Chapter Four: The Naked Portrait Chapter Five: The Artist s Eye: Freud and the Old Masters Chapter Six: Time and Reality: Freud s Significance and Legacy.
