Christian Focus Publications Ltd, United Kingdom, 2002. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. What do you think of Christ? is one of those key diagnostic questions that can reveal so much. The answers we are faced with in today s world vary wildly, from being an apocalyptic firebrand to merely a good teacher, but the same question has been posed. What is the truth and how are we to know it? Taken from lectures given at the Tyndale and Rutherford House Conferences in Cambridge and Edinburgh we see how the study of Christ and his mission has been a fundamental issue of discussion for the Christian faith over the last two thousand years. With contributions from an impressive array of scholars, including I. Howard Marshall, David F. Wright and Donald Macleod we are shown how it will remain so.
