Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Book one in the series. It's not all about money, it's about helping your clients. However that being said in today's economy, a little extra cash can do wonders for your bank account and your self-esteem. Whether planning for that getaway, paying some bills or you just want to feel secure, by adding to your bank account, then Your Tarot as a Business is for you. You have probably already thought of doing readings for a little extra income. Like many people you may have issues with this. Is it right to ask money for your skills, talents and abilities? Then this book is also for you. Whether you're just starting out casually or are ready to read part time or even as a full time professional, Your Tarot as a Business will change the way you think about readings. The series covers The Psychology of Tarot, Counselling with the Tarot, how to create powerful Tarot Consultations not just readings. Plus providing practical insights into the business side of reading Tarot at a professional level. Together we will develop and implement strategies that will make your business grow. As the series unfolds you will learn to develop a special niche market, become thought of as an expert in the field. The person to go to in your area. How to market your unique skills with no budget, you will be shown unique strategies that will expand your clientele including Internet consultations, phone readings, festivals, expos and some powerful networking systems. You will learn how to understand and deal with the particular needs of your clients, thus bringing them back, plus other ways of building a returning...
