

## Proceedings of 2010 Asia-Pacific International Symposium on Aerospace and Technology (in 2 volumes)

By Thee editorial committee

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Language: English. Pub. Date: 2010. In recent years, the Asia-Pacific area has witnessed great development in the fields of aeronautics and astronautics. To further accelerate the advancement and provide an efficient communication platform for researchers and industry engineers, the Chinese Society of Aeronautics and Astronautics (CSAA), the Korean Society for Aeronautical and Space Sciences (KSAS), the Japan Society for Aeronautical and Space Sciences (JSASS) and the Royal Aeronautical Society-Australian Division (RAeS Australian Division) have made a joint endeavor to hold a series of Asia-Pacific International Symposia on Aerospace Technology (APISAT) since 2009. Being a series of annual symposia, APISAT has been held in the countries of the four CO-organizers in turn. After the success of APISAT2009 in Japan, CSAA has the great honor to host APISAT2010 in Xian, Shaanxi province, China from September 13 to 15, 2010. CSAA is pleased to take this opportunity to serve researchers and industry engineers working with aerospace technology in Asia-Pacific nations. APISAT2010 has drawn much attention from the aerospace community and gained strong support from all CO-organizing societies. The International Program Committee received 392 abstracts and accepted 292 of them after...
