Caveat Press, United Kingdom, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Uprisings for the Earth delves into a new kinship with nature while acknowledging the treasures of urban life and the unique stake each person has in resolving critical and timely challenges. While avoiding doomsday scenarios, Lake offers a frank inquiry into a variety of causes leading to our current global peril while also providing a deep well of hope and profound insight. She weaves together history, ecology, culture, governance, women s leadership and the arts to map out an integrated approach to working in partnership with nature while creating a more just and sustainable future. Her wisdom, lyrical style, and thorough research frame chapters such as Around the Fire: From Global Warming to a Renewed Hearth , Anthem to Water , Democracy Ancient and Modern and Honor the Women. Lake takes us along wild rivers as she explores water conservation and the mysteries of water science; sits us around a fire along with great minds of past and present to contemplate the climate crisis; and takes us to several continents where we navigate deeper into history of culture and land. Consider this book required reading for its inspiration, innovation and hope for the Earth and future generations.
