By Rachel Ingalls

FABER FABER, United Kingdom, 2002. Paperback. Condition: New. Main. Language: N/A. Brand New Book. In this collection of five stories by a great short story writer, prototypes from the ancient world cast a shadow over our age. Cupid and Psyche, Penelope, Oedipus, Icarus and Odysseus inhabit the consciousness of characters who wrestle with betrayal, sacrifice, family conflict and war. Each story poses the same questions: what do people really believe in, where can they put their trust, and why do they continue to hope? Days Like Today is a stunning volume by a true artist and a quite remarkable talent.
