## DANNY AND THE DETENTION DEMONS (PAPERBACK)

Pilnut Press Inc, United States, 2007. Paperback. Condition: New. Nicole Espinola, Eve Nealon (illustrator). Large type / large print edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A story-time/advanced reader for the 3 to 6 year-old crowd. A father teaches a young boy how to deal with boredom in school and a host of distracting, fantastic creatures who get him in trouble. Full-color manga -style illustrations. Book Jacket reads: Danny grips the desk in his classroom with both hands, knuckles white from the effort. Every muscle in his body is tensed like a coil, ready to spring into action at the first chime of the class-ending bell. His eyes are riveted on the large clock mounted on the room s wall. Only a few minutes to go until class ends and his weekend begins. Ah, the weekend, the long-awaited, sweet weekend chock full of fun and leisure time will start in mere moments. Of a sudden, from the corner of his eye, Danny spies movement by a bookshelf. He risks a full-on glance and is shaken by what he sees. Impossible., he breathes. A bead of perspiration trickles down the side of Danny s face. This is in response to some odd new arrivals which have appeared in Danny s classroom. Odder still is it that it seems only he can see the strange visitors. To be sure it is a day Danny will not soon forget, the day he encounters the Detention Demons.
