## THE GAMECOCKS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand New Book \*\*\*\*\*\* Print on Demand \*\*\*\*\*\*. Literary Fiction. Historical theories braid North Carolina s Lumbee Indians and America's largest ongoing mystery, The Lost Colony, with a friendship that will never leave you. Jake Wilkes has ownership of his best friend's bank account and winery and is engaged to the woman of their dreams. But he doesn't have the highly coveted proof of North Carolina's Lumbee Indians true origins. It was stolen it from his best friend, Bruce Black. His death made headlines. So Jake bravely directs his first presentation, Lumbee Indians and America's First Christians, which seems like a fiasco, and receives death threats and a proposition by an unassuming wordsmith. When Jake shares his true life tale of growing up with a Lum as his best friend he reveals a secret subculture and life on the swamp becomes a jubious ride to live to tell the tale. While a world away a second chance at love rides in on a turbulent tide. Set in rural North Carolina where moonshine, conjuring, church and fifty five thousand Lumbee Indians truly are as much a part of the beloved culture as America's largest ongoing mystery, The Lost Colony. Includes references and guide to Lumbees endangered language. (Full Color Edition with vintage art available.).
