Awsna Publications, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Orphaned twice by the time he was nine, he was living on the streets and did not even know his own name. He was not allowed to set foot inside the one place he was determined to find work. To complete the disaster of his young life, the object of his affections was Star, an immense, emerald-green dragon. But good fortune finally smiled upon him: Star was a Luck Dragon. Unexpectedly, he was admitted as a barn boy into the elite Dragon Compound. He was given three warm meals a day, work, and even a name. Accepted by some, reviled by others, the boy is nicknamed Straw. His days are a mix of welcome work and staving off the aggressive attacks of those who believe he does not belong there. Then one day he discovers that the aloof dragon oddly pays particular attention to him alone, and once this becomes recognized by the others, this raises the boy to new responsibility. With the dragon suddenly under his daily care, the boy discovers that Star can speak in ways that only he can understand. Star reveals to him dragon lore long forgotten to the world, and offers to train the boy in the ways of the warrior. Straw discovers that although an orphan, he descends from a long line of dragon keepers and has taken his rightful place caring for Star, although this is something he can neither prove nor ever tell the others. In this way, the boy enters into a secret apprenticeship under the careful guidance of the dragon. Years pass and, unknown to the rest, Straw is trained in the ways of a knight. Then one day, an army descends on the Dragon Compound,...
