Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Puffin Penguin UK Sep 2016, 2016. Taschenbuch. Condition: Neu. Neuware - The first book in the incredible new series from the author of Percy Jackson, the Kane Chronicles and Heroes of Olympus. My name is Magnus Chase. I'm orphaned and living rough on the streets of Boston. And things are about to get much worse. My day started out normally enough. I was sleeping under a bridge when some guy kicked me awake and said, 'They're after you.' Next thing I know, I'm reunited with my obnoxious uncle, who casually informs me that my long-lost father is a Norse god. Nothing normal about that. And it turns out the gods of Asgard are preparing for war. Apparently, if I can't find the sword my father lost two thousand years ago, there will be doom. Doomsday, to be precise. A fire giant attacking the city Immortal warriors hacking each other to pieces Unkillable wolves with glowing eyes It's all coming up. But first I'm going to die. This is the story of how my life goes downhill from there. 528 pp. Englisch.
