It continues the process of healing and growth. People forget that they have so much control over their lives. They easily hand over their hopes, dreams, and trust to others who don t deserve these gifts or know what to do with them. The giver is just proud to share something so intimate, they lost sight of the magnitude of the offering. It is okay to be selfish and hold something back for you. It s okay to be proud of yourself and say it out loud. It s okay to take things slow and not be pushed to do anything you don t want. It s okay not to be nice all of the time, despite the world s lesson. It s alright ot say no, even if people are accustomed to you saying yes. It s alright to go with your heart and head, but it s better to involve God. Roar again (softly).remind the world who you are! Redefine your strength, passion, and love.
