Leighton, an All rights reserved. old New Hampshire brakeman, caught scent of the situation, followed, and sprang into the cab at Kent s heels. The others held back and stared dubiously. Give her draught, Charlie! Stir up the coal, muttered Kent through quivering lips. He reversed the engine, opened the throttle and forced the remaining cars twenty feet down the grade, below the switch. Leighton uncoupled and the engine sprang ahead. The switch clanged, Leighton climbed back into the cab, and the locomotive backed over the siding to the main line, south of the cars; but by the time the main track was reached and the engine leaped away in pursuit, the wild freight was several...
