Amberley Publishing, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. From Tombland to Carrow Road, Frank Meeres takes us on a tour of Norwich through the ages, explaining the history behind the well-known landmarks of this fine city. Photographs illustrate shops, schools, garages, churches, houses and street scenes; some that are instantly recognisable, and others that are lost forever. As you follow this trail, you will notice the increase in the number of vehicles on the road; shops that once sold new goods are now estate agents or charity shops; green fields have been transformed into industrial estates, houses or ring roads; however, some beloved features such as the Provisions Market, the Guildhall and St Peter Mancroft have remained unchallenged and unchanged.
