Intellect Books, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Sao Paulo is the largest city in South America and the powerhouse of Brazil's economy. A multiracial metropolis with a diverse population of Asian, Arabic, and European immigrants as well as migrants from other parts of Brazil, it is a global city with international reach. Films set in Sao Paulo often replace the postcard images of beautiful tropical beaches and laid back lifestyles with working environments and the search for better opportunities. Bikinis and flip-flops give way to urban subcultures, sports, entertainment, and artistic movements. The ability to transcend national boundaries, and its resistance to stereotypical images of an exotic Brazil, make Sao Paulo a fascinating location in which to explore Brazil's changing economic and cultural landscapes. The first comprehensive guide to filmic representations of Sao Paulo, this book serves as an introduction to the city for film enthusiasts, visitors, and tourists while simultaneously opening scholarly debates on global concerns such as marginalization, rapid urbanization, and child poverty.
