Reviews

A very amazing ebook with lucid and perfect answers. it was actually writtern quite flawlessly and useful. Its been written in an exceedingly basic way and it is simply right after i finished reading this publication in which basically changed me, change the way i really believe.
(Garett Stanton)

ANALYSE SOCIALE DU TERRITOIRE (PAPERBACK)

DOWNLOAD

Univ Europeenne, United States, 2010. Paperback. Condition: New. Language: French . Brand New Book. Dans cet ensemble existentiel de l'ordre du monde reel, symbolique, social, individuel, etatique, le territoire porterait aussi le secret des origines de l'homme, des origines de son esprit. Les formes inscrites dans les lieux, les uvres et les ruines (fruits du travail des societies precedentes), les lieux et les mots, les lieux-dits, les survivances transmises par les langues et les traditions, tout ce que renferment les textes anciens et leurs mythes demontrent la systemique du territoire. Toutes ces memoires sont a rearranger dans une totalite qui, en rendant compte du territoire, rend compte aussi des origines des societies et des cultures, et de leur continuite qui s'organisent finalement autour de la vie des symboles et des themes ideologiques fondamentaux. Cela permet de penser le territoire comme un systeme en devenir de signes revelateurs de la relation nature/culture, qui commande la logique et les fonctions du monde.
