Princess of 8th Street (Hardback)

By Linas Alsenas

Abrams, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. Jane fancies herself a princess, but she's missing one important thing: a friend. In this cute and clever picture book, Jane, who is very shy, lives in an apartment on 8th Street that she pretends is a castle, has tea with her dolls (her ladies in waiting) and has to deal with a horrible toad (a.k.a. her brother, Nicholas). But something is missing in Jane's sometimes lonely life. Then one day at the playground she meets and must stand up to Samantha, the Princess of 10th Street, and the other kids at the park. The two princesses overcome their differences and become friends, forever joining the kingdoms of 8th and 10th Streets and proving that there's more to being a princess than dresses and tea parties.

Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be the greatest ebook for actually.

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
