The 21st Century should be supernaturally earmarked as the era of the prophetic writer within the charismatic faith. Holy Spirit is causing the sons of God to be extremely sensitive to His voice, and leading them to publish His word in numerous precise and demonstrative forms. This book, Writing the Prophetic, scripturally defines prophetic writing, deciphers the myths surrounding it and provides distinctive guidelines to help followers of Christ answer this specific question, Am I a prophetic writer? In addition, extreme clarity is provided concerning the difference between prophetic writing and its demonic counterfeit, automatic writing.
