Community Capitalism: Pulling Capitalism Back from Its Own Abyss (Paperback)

By Eduard J Qualls

Danaan Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Vexed! Every American s Bitch List - Community Capitalism lays out the problems confronting Capitalism, those threatening once again to destroy the economic well-being of the American Nation and all of its allies and associates in Western and World Civilization. From the Stock Market to derivatives to banks to lawyers in politics to patenting intangibles to educational failures to unions, Community Capitalism lays bare the issues: the internals, the problems and the illogical, human-destructive hubris of Greed Capitalism. All American legislation (and that of Western Europe, too) of the past couple of decades has favored the big corporations while putting ever more insufferable demands on small businesses. At the same time, the programs of the first eight years of the century have helped to destroy American education by forcing it into what can only be called Stalinist regimentation. No one is taking responsibility for the multi-billion dollar (and euro) financial fiascos forced on the taxpayers. This has hit the American and the Greek people with taxation imposed without their consent for actions they never agreed to-the gambling that resulted in those...
