TRUMP AND THE MEDIA (PAPERBACK)

[DOWNLOAD](#)

MIT Press Ltd, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. The election of Donald Trump and the great disruption in the news and social media. Donald Trump's election as the 45th President of the United States came as something of a surprise -- to many analysts, journalists, and voters. The New York Times's The Upshot gave Hillary Clinton an 85 percent chance of winning the White House even as the returns began to come in. What happened? And what role did the news and social media play in the election? In *Trump and the Media*, journalism and technology experts grapple with these questions in a series of short, thought-provoking essays. Considering the disruption of the media landscape, the disconnect between many voters and the established news outlets, the emergence of fake news and alternative facts, and Trump's own use of social media, these essays provide a window onto broader transformations in the relationship between information and politics in the twenty-first century. The contributors find historical roots to current events in Cold War notions of us versus them, trace the genealogy of the assault on facts, and chart the collapse of traditional news gatekeepers. They consider such topics as Trump's tweets (diagnosed by one writer as *Twitterosis*) and the constant media exposure given to Trump during the campaign. They propose photojournalists as visual fact checkers (lessons of the paparazzi) and debate whether Trump's administration is authoritarian or just authoritarian-like. Finally, they consider future strategies for the news and social media to improve the quality of democratic life. Contributors Mike Ananny, Chris W. Anderson, Rodney Benson, Pablo J. Boczkowski, danah boyd, Robyn Caplan, Michael X. Delli Carpini, Josh Cowls, Susan J. Douglas, Keith N. Hampton, Dave Karpf, Daniel Kreiss,...
