Everyone wants to know how to improve his or her love life, but so few of us understand the integral role the brain plays in attraction, keeping us excited about our partner, and helping us feel a strong connection. Based on Dr. Daniel Amen's cutting-edge neuroscience research, The Brain in Love shares twelve lessons that help you enhance your love life through understanding and improving brain function. Filled with practical suggestions and information on how to have lasting and more fulfilling relationships, The Brain in Love reveals: - How emotional and physical intimacy can help prevent heart disease, improve memory, stave off cancer, and boost your immune system - How the differences between men's and women's brains affect our perceptions and interest in sex - The science behind why breakups hurt so much, and what you can do to ease the pain - Surefire techniques to fix common problems-depression, PMS, ADD-that contribute to conflicts - How to make yourself unforgettable to your partner The Brain in Love explains...
