One is known as the fortification set and the other as the terrain set. The fortification set contains eight gabions (round, bottomless baskets, filled with earth), four fascines (bundles of sticks bound together) four hurdles, twenty bags for sand, one box of blocks, representing sod, and one bundle abatis (obstacle composed of felled trees). Besides these there are trench models and material to represent hills, woods, streams, railroads, bridges, concrete, king post, Embankments and obstacles. Reading from left to right, fascines (sticks bound together), gabions (bottomless baskets filled with earth), hurdles and sand-bags From left to right, sand-bags, sod and plank embankments, military pits, abatis (pointed obstacles), wire entanglements and wire fence with apron on each side Samples of trenches, showing simple trench, enlarged trench, trench with traverse sections, communicating trenches and trenches with individual firing positions Rear view of a portion of...
