Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Commerce and Prospects of England: And a Review of the Agricultural, Iron, and Cotton Trades I pretend to no originality in these pages. Actuated by a spirit of inquiry, I have called from Mr. Giffen's able reports in the Statistical Society's Journals - from Mr. Mongredien's Free Trade pamphlet - from the Board of Trade Reports, and from The Times, The Standard, The Colliery Guardian, and other sources, - sufficient data, to warrant my giving a sketch of the state and prospects of the trade of this Empire. It may be, that my statistics maybe proven erroneous, and my inferences fallacious; that the future prospects of this country may justly be painted in a more roseate hue than in these pages delineated. If it should thus happen, I shall rejoice as an Englishman naturally interested in the welfare of the land of his birth and in the commercial greatness of his country. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
