iUniverse, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The human resources department performs an indispensable function for companies large and small. It is not the battlefield viewed by some, but is an integral part of any business. In *The Dynamics of Human Resources*, author Yasser Al Salman uses his own experiences as an HR executive to provide a focused look at human resource variables and the role of HR staff. Human resource functions have changed considerably in the last twenty years; the functions of the department have evolved with the changing economic times. In *The Dynamics of Human Resources*, Yasser identifies these changes and discusses the important facets of a human resource department. This guide provides a non-academic look at how to: Hire the best candidates Retain the best employees Build trust between management and employees Train and instruct employees Distinguish a great employee from a good employee Establish and protect the organization's values *The Dynamics of Human Resources* supplies the necessary details to manage a successful HR department which involves hiring the best employees and sustaining and retaining the high-performing employees. It demonstrates how a position in human resources can be a rewarding career.
