

Salmon Fishing In The Yemen : Winner of the Waverton Good Read Award 2008 and nominated for the Galaxy Book Awards 2008

By Paul Torday

Phoenix. Taschenbuch. Condition: Neu. Neuware - An extraordinary, beguiling bestselling tale of fly-fishing and political spinning, of unexpected heroism and late-blooming love. This is the story of Dr Alfred Jones, a fisheries scientist - for whom diary-notable events include the acquisition of a new electric toothbrush and getting his article on caddis fly larvae published in 'Trout and Salmon' - who finds himself reluctantly involved in a project to bring salmon fishing to the Highlands of the Yemen - a project that will change his life, and the course of British political history for ever. With a wickedly wonderful cast of characters - including a visionary Sheikh, a weaselly spin doctor, Fred's devilish wife and a few thousand transplanted salmon - SALMON FISHING IN THE YEMEN is a novel about hypocrisy and bureaucracy, dreams and deniability, and the transforming power of faith and love. 352 pp. Englisch.
