## Gender and Sexuality in Muslim Cultures (Paperback)

By Gul Ozyegin

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A must-read for anyone interested in Muslim cultures, this volume not only explores Muslim identities through the lens of sexuality and gender - their historical and contemporary transformations and local and global articulations - but also interrogates our understanding of what constitutes a a Muslima (TM) identity in selected Muslim-majority countries at this pivotal historical moment, characterized by transformative destabilizations in which national, ethnic, and religious boundaries are being re-imagined and re-made. Contributors take on the most fundamental questions at the intersections of gender, sexuality, and the body. Several overarching questions frame the volume: How does studying gender and sexuality expand and enrich our understanding of Muslim-majority countries, historically and at present? How does the embodiment of a Muslima (TM) identity get reconfigured in the context of twenty-first-century globalism? What analytical questions are raised about a Islama (TM) when its diverse meanings and multifaceted expressions are closely examined? What roles do gender and sexuality play in the construction of cultural, religious, nationalistic, communal, and militaristic identities? How have power struggles been signified in and on the bodies of women and...
