The third book in the Fireside Romance saga sees Simon Peters and Mark Smith return from their summer holiday in Menorca, Spain, where they exchanged wedding rings. As a committed couple, Simon and Mark widen their social circle. However, a near tragedy reminds them that togetherness needs to be celebrated because it can all too easily be snatched away. Much to his surprise, the serious and conservative librarian Simon discovers he has a kinky side, one which he and Mark take every opportunity to explore, even in unlikely places such as inside their new garden shed. Then Christmas arrives, which heralds their first anniversary, and along with it comes a new addition to their household. Join Simon and Mark as they navigate through the highs and lows of life in late 1980 s northern England.
