INDIA IN THE 21ST CENTURY: WHAT EVERYONE NEEDS TO KNOW (R) (PAPERBACK)**DOWNLOAD**

Oxford University Press, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. As such, India is set to play a critical role in how our world evolves during the coming decades. In a concise question-and-answer format, Kamdar addresses India's history, including its colonial legacy and independence movement; the political and social structures in place today; its rapidly growing economy and financial system; the geopolitical landscape of the 21st century and India's place in global politics; and the environmental concerns faced by the country, among other topics. She explores India's contradictions and complications, from its worryingly narrow politics of patronage...
