InSyte, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. inSyte is a paranormal-thriller - equal parts Chrichton, Clancy and King. It's Tampa Bay and the year is 2020. Ex-Navy SEAL Mitch Double Downing discovers how to tap into the internet with his mind. At the center of the conflict is a wolf-like killer who will stop at nothing to murder the ex-Navy SEAL. And Mitch must come to grips with inSyte's dark side - a dominating addiction that soon controls his thoughts and places him on a steep slide to self destruction. You've got a great book here. Every time he comes on stage, the novel's tension ratchets up. ---Susan Breen (author of The Fiction Class, featured...
