

Zero One, Zero Two: We Are All Dead (Paperback)

By Amanda Baker

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. NASA s TRAPPIST 1 announcement Feb 2017 chimes with this hallucinogenic novella published in November 2016. ZERO ONE ZERO TWO is a spare offering of satirical social comment wrapped in science fiction and a futuristic dystopian narrative sprinkled with dark, dry humour and occasional poetry. Humanity is running out. For Rachel Smith and her four companions, hope for earth is in the distant past along with cannibalism, land collapses and real human interaction. 200 years old, she exists in the mess created by 20th and 21st century civilisation . Flung out into space at the mercy of technology she does not understand, with memories and ghosts for company, Rachel faces the unknowable unknown alone. Just like TRAPPIST 1, Rachel s destination is merely guessed at by scientists using data from super telescopes and mathematical equations. She cannot come home!.
