Reviews

This book will be worth buying. Better then never, though i am quite late in start reading this one. You may like how the blogger compose this publication.

(Mrs. Kylie Oberbrunner II)

THE BRIDE OF THE ICONOCLAST: A POEM; SUGGESTIONS TOWARD THE MECHANICAL ART OF VERSE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Bride of the Iconoclast: A Poem; Suggestions Toward the Mechanical Art of Verse To force man, by strength of cosmopolite wit, to forget his local breeding, and to live on the round world, - to jog so cogently his thought from its downcast habit of routine which it comes to follow round like cord upon a pulley, that he shall bethink him of all he really knows, and thereafter reverence the much he knows not, and in his reverence e en grow more honest, and in his honesty become original, (for every brain of honesty is a breeder of witty things), - and thro this, to aim to bring a time when he shall be not drunken with health, tho none the less healthy, feeling forever the miracle of nature, and staring with awe upon the mystery of all things, - is somewhat of the bard s office. Not, to thrust man from the right occupation of his brains, into the accumulation and confusion of unaccountable circumstances, and to blind him the more with multiplied proofs of his blindness, - but, to combine the attributes best fitted to this mortal and mysterious humanity - the attributes of love, courage, pride, generosity and imagination - into an ideal hero who shall face death as the necessity of nature, is his work. And whoever shall honestly attempt it, tho he fail, shall be forgiven by the utility of effort, in the want of the probability of success.
